

## If It Wasn't For You

Alesso

I was alone, I was made of stone  
You took me home, we built a world  
A world for us, we flew like birds  
A new beginning

It's better, better, better,  
You keeping me together-gether-gether  
You know that I will never, never, never  
Try to pull you down, down

Lover, lover, lover you can always be here  
I'll take cover,  
You know that I will never, never, never  
Leave you all alone

I'd be nothing if it wasn't for you  
If it wasn't for you

I was a fool, always keeping a distance  
If I'd ever know, you found a way  
I thought I always stayed the same  
Because of you, I saw a new beginning

It's better, better, better,  
You keeping me together-gether-gether  
You know that I will never, never, never  
Try to pull you down, down

Lover, lover, lover you can always be here  
I'll take cover,  
You know that I will never, never, never  
Leave you all alone

I'd be nothing if it wasn't for you  
If it wasn't for you  
I'd be nothing if it wasn't for you  
Nothing if it wasn't for you
