Alestorm

Woah-oh, come take a trip with me  
I'll tell you of the greatest man who ever sailed the sea  
Woah-oh, Fae Scotland's bonnie shores  
He pillaged 'cross the ocean in search of rum galore  
Woah-oh, aboard the good ship Scum  
He'd fire a mighty blast from the 16 pounder gun  
Woah-oh, his legendary crew  
Could sail that ship to Hell and back, there's nothing they can't do

He killed the mighty Terrorsquid  
The greatest man who ever lived  
He beat the Vikings in a bloody war  
Meet yer dad and smell yer maw

Fannybaws, he's a fearsome pirate  
Fannybaws, he's the scourge of the seas  
Fannybaws, with the black flag flying  
Plundering, pillaging, spreading disease  
Fannybaws, he's a fearsome pirate  
Fannybaws, he's the scourge of the seas  
Fannybaws, with the black flag flying  
Bringing his foes to their knees  
Fannybaws

Woah-oah, in Oban he was raised  
He drank a bucket full of rum every single day  
Woah-oh, his beard of flaming red  
Would terrorize his enemies and make them wish they're dead  
Woah-oh, four pistols on his belt  
He went to battle naked, wearing just a tiger's pelt  
Woah-oh, his name was Fannybaws  
Now haud yer wheesht ya glaikit cunt or else he'll pump your maw

Fannybaws, he's a fearsome pirate  
Fannybaws, he's the scourge of the seas  
Fannybaws, with the black flag flying
