

2 Kids

Alex Aiono

We had a dream
2 kids and a big house
Movie nights on our big couch
Bedtime stories till they pass out
Lights out, oh

We had a dream
2 kids and a backyard
Growin' old as it gets dark
Now I don't even know where you are
'Cause truth is, back then, we were 2...

She was supposed to have your hair
He would learn all my dad jokes
You'd be sittin' sideline
Soccer game, Saturday morning
While I'm calling plays acting like the coach

We would have a dog, and a yard
And a fence, a garage
And a pool trampoline, the whole nine
But last time that I checked
It was like we never met
Guess we call it "right girl, wrong time"

No-ohh

And maybe I'm just stupid
Chasin' after bullshit
That's just not meant for me

But we had a dream
2 kids and a big house
Movie nights on our big couch
Bedtime stories till they pass out
Lights out, oh

We had a dream
2 kids and a backyard
Growin' old as it gets dark
Now I don't even know where you are
'Cause truth is, back then, we were 2 kids

Oh, ohh
Back then, we were 2 kids
Oh, ohh
Back then, we were 2 kids
Oh, ohh
Back then, we were 2...

I was supposed to be your last name
You were supposed to be my all time
How'd we go from lifelong dreams
To "long time, no see"
And I can't even recollect why?

Why-y?

And maybe I'm just stupid
Chasin' after bullshit
That's just not meant for me, yeah

But we had a dream
2 kids and a big house
Movie nights on our big couch
Bedtime stories till they pass out
Lights out, oh

We had a dream
2 kids and a backyard
Growin' old as it gets dark
Now I don't even know where you are
'Cause truth is, back then, we were 2 kids

Oohh
Back then, we were 2 kids
Oh, ohh
Back then, we were 2 kids
Oh, ohh

We said
We would have a dog, and a yard
And a fence, a garage
And a pool

But back then, we were 2 kids
