

Better Me

Alex Aiono

Running away, I had no breaks
Making the same mistakes
I take the blame, for every day
But I'm going to make the change

Cause I'm only human can't you see
I feel the pain it swallows me up whole till I'm gone
Somedays I give in and I can't breathe
The voice in my head is telling me hold on
Keep holding on

I know that I'm not perfect
Still make the same mistakes
But I'm working on a better me each day
Sometimes I lose my purpose
And I fall down on my face
But I'm working on a better me
A better me

Every day I put up with the pain
But I never gave up
And now I can say that I am enough
I don't need to bluff

Cause I'm only human can't you see
I feel the pain it swallows me up whole till I'm gone
Somedays I give in and I can't breathe
The voice in my head is telling me hold on
Keep holding on

I know that I'm not perfect
Still make the same mistakes
But I'm working on a better me each day
Sometimes I lose my purpose
And I fall down on my face
But I'm working on a better me
A better me

Still working on a better me

I know that I'm not perfect
Still make the same mistakes
But I'm working on a better me each day
Sometimes I lose my purpose
And I fall down on my face
But I'm working on a better me
A better me
