

Bury A Friend / Middle Child Mashup

Alex Aiono

What do you want from me? Why don't you run from me? What are you wondering? What do you know? Why aren't you scared of me? Why do you care for me? When we all fall asleep, where do we go? Come here,

Say it, spit it out, what is it exactly
You're payin'? Is the amount cleanin' you out? Am I satisfactory? Today, I'm thinkin' about the things that are deadly
The way I'm drinkin' you down
Like I wanna drown, like I wanna end me

Step on the glass, staple your tongue
Bury a friend, try to wake up
Cannibal class, killing the son
Bury a friend, I wanna end me
What do you want from me? Why don't you run from me? What are you wondering? What do you know? Why aren't you scared of me? Why do you care for me? When we all fall asleep, where do we go?

Let's go,

They just been countin' me out
I'm countin' my bullets, I'm loadin' my clips
I'm writin' down names, I'm makin' a list
I'm checkin' it twice and I'm gettin' 'em hit
The real ones been dyin', the fake ones is lit
The game is off balance, I'm back on my...
The Bentley is dirty, my sneakers is dirty
But that's how I like it, you all on my hip

Step on the glass, staple your tongue
Bury a friend, try to wake up
Cannibal class, killing the son
Bury a friend

What do you want from me? Why don't you run from me? What are you wondering? What do you know? Why aren't you scared of me? Why do you care for me? When we all fall asleep, where do we go?

Oh now, where do we go?

I'm countin' my bullets, I'm loadin' my clips
I'm writin' down names, I'm makin' a list
I'm checkin' it twice and I'm gettin' 'em hit, cause,

I wanna, I wanna, I wanna... end me

Where do we go?
