

## Lil Wayne Tree

Alex Aiono

Last night I dreamed there was a tree  
Right in the middle of the house that I live in  
It had popcorn on string, pictures of me  
On cute little knickknacks from when I was 7

I asked him why he's here  
And where he came from  
He turned around with diamond teeth  
And a red bandana

It was a Lil Wayne tree  
It had tattoos on its leaves  
It was a Lil Wayne tree  
Yelling YMCMB  
A Lil Wayne tree
