

# OUI / Pop Style / Father Stretch My Hands Mashup

Alex Aiono

If we tried that we could be  
Somewhere the climate, is warm long as you around me  
I swear that everything will be just fine  
I wish that we could take some time  
Go anywhere, baby I don't mind  
Grown man, in my suit and tie  
Baby, there's no we without you and I  
Oh, yea, ah yea, ah ah yea  
Baby, there's no we

Dropped outta school now we dumb rich,  
This sound like some forty-three-oh-one sh-,  
All my people wanna do is pop style, pop style  
Turn my birthday into a lifestyle,  
Tell my mom I love her if I do not make it,  
Got so many chains they call me Chaining Tatum  
And I like to finish what you think you started  
Man you boys just got to Hollywood, you boys just started.  
Girl let me rock, rock, rock, rock, rock your body  
Justin Timberlake and then I hit the highway  
I can't trust no..body  
They still out to get me cause they never got

Beautiful morning, you're the sun in my morning babe  
Nothing unwanted, yeah  
Beautiful morning, you're the sun in my morning babe  
Nothing unwanted, yeah  
Just want to feel liberated, I,  
I just want to feel liberated, I, I, I  
If I ever instigated I'm sorry

Yeah, look, I know you're so independent and I know I'm a little different,  
from most of the dudes that you talk to I won't let that be a limit,  
Yeah I might be young but I'm faithful I would never tell you something that ain't true,  
yeah I would send you funny posts you relate to, we could go to Disneyland on a date too,  
I just wanna get to know you better, like "what's your favorite color?",  
tell me bout your brother and your sister and your mother,  
tell me all the things you like to do in the summer, that's cool..  
maybe we can do a couple, give me the chance and I'll be all you need,  
girl if me and you were a couple I would be sure that you're living the dream,

Girl let me rock body  
I just want to feel liberated, oh, yea, ah yea, I...
