

Robbery & Complicated Mashup

Alex Aiono

She told me put my heart in a bag and nobody gets hurt
Now I'm running from her love, I'm not fast
So I'm making it worse
Now I'm digging up a grave, from my past
I'm a whole different person
It's a gift and a curse, but I cannot reverse it

I can't reverse it, no
It was a gift and a curse
And now I'm drinkin' too much, so I'ma talk with a slur
Last time I saw you, it ended in a blur
I woke up in a hearse, yeah
You said, "You loved me first"
One thing my dad told me was:
"Never let your woman know when you're insecure"
So I put Gucci on the fur
And I put my wrist on iceberg
One thing my heart tells me is:
"Flex on a ho every time they're insecure"
I guess you came through, I'm running from you
Is your love for real?
Is your love really true?

She told me put my heart in a bag and nobody gets hurt
Now I'm running from her love, I'm not fast
So I'm making it worse
Now I'm digging up a grave, from my past
I'm a whole different person
It's a gift and a curse, but I cannot reverse it

Why'd you have to go and make things so complicated?
I see the way you're
Actin' like you're somebody else, gettin' me frustrated
Life's like this, you
And you fall, and you crawl, and you break
And you take what you get
And you turn it into honesty
And promise me, I'm never gonna find you fake it, no-oh

She told me put my heart in the bag
And nobody gets hurt
Now I'm running from her love, I'm not fast
So I'm making it worse
But life's like this, you
You fall, and you crawl, and you break
And you take what you get
And you turn it into honesty
And promise me, I'm never gonna find you fake it
No, no
Yeah, it's a gift and a curse, but I cannot reverse it
