

Side To Side

Alex Aiono

I've been there all night,
I've been there all day,
And I, got me walkin' side to side

I'm talkin' to ya
See you standing over there with your body
Feeling like I wanna rock with your body
And we don't gotta think 'bout nothin'

I'm comin' at ya
'Cause I know you got a bad reputation
Doesn't matter, 'cause you give me temptation
And we don't gotta think about nothin'

These friends keep talkin' way too much
Say I should give you up
Can't hear them, no, 'cause I...

I've been there all night
I've been there all day
And I, got you walkin' side to side
I've been there all night
I've been there all day
And I, got you walkin' side to side

Been tryna hide it
Baby, what's it gonna hurt if they don't know?
Makin' everybody think that we solo
Just as long as you know you got me

And girl I got ya
'Cause tonight I'm making deals with the devil
And I know it's gonna get me in trouble
Just as long as you know you got me

These friends keep talkin' way too much
Say I should give you up
Can't hear them, no, 'cause I...

I shot the Sheriff,
But I did not shoot the Deputy.

I've been here all night,
I've been here all day,
And I, got you walkin' side to side...
