

# Tired from the Fire

Alex Clare

I know you'll burn all night, giving off an awesome light  
Tired from the fire, tired from the fire  
I know you'll burn all night, giving off an awesome light  
Tired from the fire, tired from the fire  
Yes, it burns  
Slow and low,  
Consuming all,  
Consuming all  
Yes, it burns  
Slow and low,  
Consuming all,  
Consuming all

She got me burning, smoldering like a match next to the fire  
Next to a fire  
She got me burning, smoldering, blazing all night  
She got me burning, smoldering like a match next to the fire  
Next to a fire

I know you'll burn all night, giving off an awesome light  
Tired from the fire, tired from the fire  
I know you'll burn all night, giving off an awesome light  
Tired from the fire, tired from the fire  
Yes, it burns  
Slow and low,  
Consuming all,  
Consuming all  
Yes, it burns  
Slow and low,  
Consuming all,  
Consuming all

Oh oh ooh, she's got me thinking  
Oh oh ooh, she's got me drinking  
Oh oh ooh, she's got me thinking  
Oh oh ooh, she's got me drinking water  
She's got me drinking water  
She's got me drinking water  
Oh oh ooh, she's got me thinking  
Oh oh ooh, she's got me drinking  
Oh oh ooh, she's got me thinking  
Oh oh ooh, she's got me drinking water  
She's got me drinking water  
Oh oh ooh, she's got me thinking  
Oh oh ooh, she's got me drinking  
Oh oh ooh, she's got me thinking  
Oh oh ooh, she's got me drinking water  
She's got me drinking water
