

Why Don't Ya

Alex Clare

Why don't you

You've played fast your whole life
Time to play slow
You've always reached so high
Because you feel so low

You said that you're all mine
So where did you go?
I see what you've done
You think you're happy being numb

Why don't you cry...
Feel broken hearted for the dearly departed
Why don't you
Your hearts desire burned out like a fire

Show me the real, as hard as it feels
I need to know

The journey to peace, no pleasantries
Let them all go
You gave back your whole life, time to receive

I see what you've done
You think you're happy being numb

Why don't you cry...
Feel broken hearted for the dearly departed
Why don't you
Your hearts desire burned out like a fire
Why don't you

Cry broken tears
I'm going nowhere
I'll be right here
I'll be right here
I hold you
I'll be right here
I hold you
I'll be right here
Why don't you
