

# Mine

Alex Day

I left home, a very long time ago  
And now I am only just finding I  
Am on the way back to the place where I  
Had everything right

And I barely recognize  
The person that I  
Thought was me, it wasn't who I thought  
I used to be

Right back on the starting line  
Eyes on the horizon  
I wonder who I'll be this time  
Life's full of surprises

We all have our stories  
And I know this one's mine, it's mine  
I don't know where I'm going  
But the ending is mine to write

And if I end up falling  
I know I'm not afraid to fly  
I don't know where I'm going  
But I know it'll all be mine

And I'm okay, with the cards that I chose to play  
Eventually I guess we all have to lose  
I know my mistakes are lessons for who

Is standing here now  
I got something to smile about  
I wanna tell the next thing that comes my way, I know that I am gonna be okay

We all have our stories  
And I know this one's mine, it's mine  
I don't know where I'm going  
But the ending is mine to write

And if I end up falling  
I know I'm not afraid to fly  
I don't know where I'm going  
But I know it'll all be mine

We all have our stories  
And this one is mine, it's mine  
I don't know where I'm going  
But the ending is mine to write

And if I end up falling  
I know I'm not afraid to fly  
I don't know where I'm going  
I don't know where I'm going  
I don't know where I'm going  
But know it'll all be mine
