

Missing You

Alex Day

Have I done
All I can
To make you
Understand

What if I
Fell asleep
Would you lie
There with me

I'm just missing you
I'm just missing you

How did you
Get inside
Only to
Say goodbye

I want you
More than you know
That's the only thing I know

I'm just missing you
I'm just missing you

I'm getting over you tonight
Won't wait for you to ask me what I'm doing
Cos I'll throw my inhibitions to the wind
I'm strong and I don't need this anymore
All I have to do is close the door

And I'll stop missing you
I'll stop missing you
I'll stop missing you

I'm on your side
And I always will be
Keeping the hair out of your eyes
And your face is close to mine
And I can't think straight
Because I can feel your breath on me
When you speak it's in a whisper and every moment
counts

I know I'm missing you
I know I'm missing you
I know I'm missing you
I know I'm missing you

But if I didn't miss you
It wouldn't be worth it in the end

Have I done
All I can
To make you
Understand
