

Lego House

Alex G

I'm gonna pick up the pieces
And build a Lego house
If things go wrong we can knock it down

My three words have two meanings
There's one thing on my mind
It's all for you

And it's dark in a cold December, but I've got you to keep me warm
If you're broken I will mend you and I'll keep you sheltered from the storm
that's raging on now

I'm out of touch, I'm out of luck
I'll pick you up when you're getting down
And out of all these things I've done I think I love you better now
I'm out of sight, I'm out of mind
I'll do it all for you in time
And out of all these things I've done I think I love you better now

I'm gonna paint you by numbers
And color you in
If things go right we can frame it and put you on a wall

And it's so hard to say it but I've been there before
Now I'll surrender up my heart
And swap it for yours

I'm out of touch, I'm out of love
I'll pick you up when you're getting down
And out of all these things I've done I think I love you better now
I'm out of sight, I'm out of mind
I'll do it all for you in time

And out of all these things I've done I think I love you better

Don't hold me down
I think my braces are breaking, and it's more than I can take

And it's dark in a cold December, but I've got you to keep me warm
If you're broken I will mend you and I'll keep you sheltered from the storm
that's raging on now

I'm out of touch, I'm out of love
I'll pick you up when you're getting down
And out of all these things I've done I think I love you better now
I'm out of sight, I'm out of mind
I'll do it all for you in time
And out of all these things I've done I think I love you better now

I'm out of touch, I'm out of luck
I'll pick you up when you're getting down
And out of all these things I've done I think I love you better now
I'm out of sight, I'm out of mind
I'll do it all for you in time
And out of all these things I've done I think I love you better now

I'm out of touch, I'm out of luck

I'll pick you up when you're getting down
And out of all these things I've done I will love you better now
