Old but New

Alex G

Summertime, we're in Nashville
A year ago we planned it well
Summertime, we can barely stand it
But here if bad the life is good

And the fireflies are out tonight

Do you remember the time you had
First tell me in your messy hatchback
It's all, it's all, it's all a blur
And you knew how we love Chicago
Where we finally learned to let go
Our love was old, but it was new
Uh uh uh

Summertime, we're in Nashville
Another year, another life
Summertime, the days are long and open
And every one with you was bright

And the fireflies are out tonight

Do you remember the time you had
First tell me in your messy hatchback
It's all, it's all, it's all a blur
And you knew how we love Chicago
Where we finally learned to let go
Our love was old, but it was new
Uh uh uh

Do you remember the time you had
First tell me in your messy hatchback
It's all, it's all, it's all a blur
And you knew how we love Chicago
Where we finally learned to let go
Our love was old, but it was new
Our love was old, but it was new
