

Alive

Alex Goot

Where am I?
Why did I decide to drive this way?
I'm all alone
It's okay the GPS system will guide me home
I just want to go home
(I just want to go home)
I know this isn't the way to drive to jersey
but this is my decision
To go a little further than I usually go
When I drive this road I usually stay at home
(I usually stay at home)

I know there's nothing in my head
I think I might be dead
I'm waiting for a sign to prove I'm alive
alive and doing well
I'm living for myself
I'm taking life one day at a time

I know there's nothing in my way
nothing's stopping me
And nothing can go wrong
On this journey to a place that happens to be
So far away from home
I usually stay at home
I usually stay at home
(I usually stay at home)

I know there's nothing in my head
I think I might be dead
I'm waiting for a sign to prove I'm alive
Alive and doing well
I'm living for myself
I'm taking life one day at a time
One day at a time

I love to leave this town when no one is around
I love to leave this town when no one is around

I know there's nothing in my head
I think I might be dead
I'm waiting for a sign to prove I'm alive
Alive and doing well
I'm living for myself
I'm taking life one day at a time
one day at a time
one day at a time
