

# Chasing A Dream

Alex Goot

I've been less than exceptional  
I've been less than great  
I come up with my own advice  
Which I like to take

It would be nice to be noticed  
For the work I put in  
But now I will just face the facts  
That I can never win

Wasting my time  
Chasing a dream  
Am I doing fine?  
Happy as can be  
Alone
