

You know that I'd die for  
I cry for  
You know that I'd die for you  
You know that I breathe for  
I bleed for  
You know that I breathe for you  
Let me see my halo  
Even though it's painful  
I'm prepared to lose  
You know that I'd die for  
I cry for  
You know that I'd die for you

I keep holding my breath for a miracle  
Hoping the hole in my heart would've healed somehow  
Feeling so fucking close to the edge right now  
You know you're everything I hate  
I wish I could escape  
But you know I would die for you

You know that I'd die for  
I cry for  
You know that I'd die for you  
You know that I breathe for  
I bleed for  
You know that I breathe for you  
Let me see my halo  
Even though it's painful  
I'm prepared to lose  
You know that I'd die for  
I cry for  
You know that I'd die for you

'Cause I've died inside  
A thousand times  
But still I kill myself for you  
'Cause the truth of it  
Is you could slit my wrists  
And I'd write your name in a heart with the haemorrhage  
Got me so fucking close to the edge right now  
You know it's you I need to kick  
You make me feel like shit  
And I don't want to die for you

You know that I'd die for  
I cry for  
You know that I'd die for you  
You know that I breathe for  
I bleed for  
You know that I breathe for you  
Let me see my halo  
Even though it's painful  
I'm prepared to lose  
You know that I'd die for  
I cry for  
You know that I'd die for you
