

# HOSTED

Alex Goot

Rest in peace, my old friend  
Gonna miss you like you're dead  
If I'm honest, I wish you were  
That'd be easier (easier)

Bro, not worried about it  
Bro, don't worry about me  
Bro, but a text would be nice  
Think you forgot about me  
Bro, just tryin' to reach out  
Bro, just to say I'm sorry (bro)  
Well, fuck you, too!

I got ghosted  
Ghosted  
Ghosted  
Said bye to my best friend  
Never to be seen again, man  
I got ghosted  
Ghosted  
Ghosted  
Why? it's a mystery  
Now? it's so plain to see

Guess your grapes are pretty sour  
It's not my finest hour  
And I know I'm not a saint at all (whoa)  
But I got ghosted  
Ghosted  
Ghosted  
Bye to my best friend  
Never to be seen again  
(Rest in peace)

Wow  
Fucked around and found out  
It's so hard to shut my mouth (ha!)  
If I'm honest, I know you don't care (hmm)  
Well good for you

Bro, not worried about it  
Bro, don't worry about me  
Bro, but a text would be nice  
Think you forgot about me  
Bro, just tryin' to reach out  
Bro, I said "I'm sorry"! (bro)  
Well, fuck you, too!

I got ghosted  
Ghosted

Said bye to my best friend  
Never to be seen again, man  
I got ghosted  
Ghosted

Ghosted  
Ghosted  
Bye to my best friend  
Never to be seen again

Rest in peace  
Rest in peace  
Rest in peace  
(Goodbye, say goodbye)  
If you can't get over it  
You can rest in peace, my friend  
I'll see you in hell!  
(Oh!)

'Cause I got ghosted  
Ghosted  
Ghosted  
Why? it's a mystery  
Now? it's so plain to see

I got ghosted  
Ghosted  
Ghosted  
Said bye to my best friend

Rest in peace  
(I got ghosted, ghosted, ghosted)  
Rest in peace...
