

# Lighters

Alex Goot

This one's for you and me  
Living out our dreams  
We're all right where we should be  
Lift my arms out wide  
I open my eyes  
And now all I wanna see  
Is a sky full of lighters  
A sky full of lighters

By the time you hear this I will have already spiraled up  
I would never do nothin' to let you cowards mess my world up  
If I was you I would duck or get struck like lighting  
Fighters keep fighting  
Put your lighters up point em' skyward UH!  
Had a dream I was king I woke up still king  
This rap game's nipples is mine for the milking  
Till nobody else even feels me till it kills me  
I swear to God I'll be the illest in this music  
There is or there ever will be. Disagree?  
Feel free, but from now on I'm refusing, to ever give up,  
Only thing I ever gave ups using no more excuses  
Excuse me if my head's too big for this building

This one's for you and me  
Living out our dreams  
We're all right where we should be  
Lift my arms out wide  
I open my eyes  
And now all I wanna see  
Is a sky full of lighters  
A sky full of lighters

You and I  
Know what it's like  
To be kicked down  
Forced to fight  
But tonight  
We're alright  
So hold up your light  
Let it shine ya ya

Cause this one's for you and me  
Living out our dreams  
We're all right where we should be  
Lift my arms out wide  
I open my eyes  
And now all I wanna see  
Is a sky full of lighters  
A sky full of lighters
