

Never Enough

Alex Goot

I'm trying to hold my breath
Let it stay this way
Can't let this moment end

You set off a dream in me
Getting louder now
Can you hear it echoing

Take my hand
Would you share this with me
Cause darling, without you

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough

Towers of gold are still too little
These hands could hold the world
But it'll never be enough
Never be enough

For me
Never, never
Never, never
Never
For me, For me
Never enough, never enough
Never enough
For me, for me
For me

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough

Towers of gold are still too little
These hands could hold the world
But it'll never be enough
Never be enough

For me
Never never
Never never
Never, for me
For me
Never enough
Never, never
Never enough
Never, never
Never enough
For me for me

For me
