

Shivers

Alex Goot

I took an arrow to the heart
I never kissed a mouth that tastes like yours
Strawberries and something more
Ooh yeah, I want it all
Lipstick on your guitar
Fill up the engine, we can drive real far
Go dancing underneath the stars
Ooh yeah, I want it all, mmh
You got me feeling like

Wanna be that girl, wanna kiss your eyes
Wanna [?], wanna feel like [?]
Like my soul's on fire, I wanna stay up all day
And all night, yeah you got me singing like

Ooh, I love it when you do it like that
And when you're closer, give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back
[?] I love it when you do it like that
And when you're closer, give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back

Into the car
On the backseat, in the moonlit dark
Wrap me up between your legs and arms
Ooh, I can't get enough
You know you could tear me apart
Put me back together and take my heart
I never thought that I could love this hard
Oh, I can't get enough, mmh
You got me feeling like

Wanna be that girl, wanna kiss your eyes
Wanna [?], wanna feel like [?]
Like my soul's on fire, I wanna stay up all day
And all night, yeah you got me singing like

Ooh, I love it when you do it like that
And when you're closer, give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back
[?] I love it when you do it like that
And when you're closer, give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back

And baby you burn so hot, you make me shiver
With the fire you got, this thing we started
I don't want it to stop, you know you make me
Shiver, shiver, oh
Baby you burn so hot, you make me shiver
With the fire you got, this thing we started
I don't want it to stop, you know you make me
Shiver, yeah, you got me singing like

Ooh, I love it when you do it like that
And when you're closer, give me the shivers
Oh baby, you wanna dance till the sunlight cracks
And when they say the party's over then we'll bring it right back
