

The Middle

Alex Goot

Take a seat
Right over there, sat on the stairs
Stay or leave
The cabinets are bare and I'm unaware
Of just how we got into this mess
Got so aggressive
I know we meant all good intentions

So pull me closer
Why don't you pull me close
Why don't you come on over
I can't just let you go

Oh, baby
Why don't you just meet me in the middle
I'm losing my mind just a little
So why don't you just meet me in the middle
In the middle

Baby
Why don't you just meet me in the middle
I'm losing my mind just a little
So why don't you just meet me in the middle
In the middle

Take a step
Back for a minute, into the kitchen
Floors are wet
And taps are still running, dishes are broken
How did we get into this mess
Got so aggressive
I know we meant all good intentions

So pull me closer
Why don't you pull me close
Why don't you come on over
I can't just let you go

Oh, baby
Why don't you just meet me in the middle
I'm losing my mind just a little
So why don't you just meet me in the middle
In the middle

Looking at you I can't lie
Just pouring out admission
Regardless my objection
And it's not about my pride
I need you on my skin just
Come over, pull me in just

Oh, baby
Why don't you just meet me in the middle
I'm losing my mind just a little
So why don't you just meet me in the middle
In the middle

Baby

Why don't you just meet me in the middle
I'm losing my mind just a little
So why don't you just meet me in the middle
In the middle

Oh, baby

Why don't you just meet me in the middle
I'm losing my mind just a little (just a little)
Why don't you just meet me in the middle
In the middle
