

# Umbrella

Alex Goot

You have my heart  
We'll never be worlds apart  
Baby in magazines, but you'll still be my star  
Baby cause in the dark, you can't see shiny cars  
That's when you need me there  
With you I'll always share

Because when the sun shines  
We'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
I took it off  
I'ma stick it out to the end

Now that it's raining more than never  
Know that we still have each other  
You can stay under my umbrella  
You can stay under my umbrella  
Ela, ela ela, eeeeeee  
Under my umbrella, ela, ela, ela, eeeee

These fancy things will never come in between  
You've had me entertain here for infinity  
When the world took its part  
And the world dealt its cards  
And if the hand is hard  
Together will mend your heart

Because when the sun shines  
We'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
I took it off  
I'ma stick it out to the end

Now that it's raining more than never  
Know that we still have each other  
You can stay under my umbrella  
You can stay under my umbrella  
Ela, ela ela, eeeeeee  
Under my umbrella, ela, ela, ela, eeee  
Under my umbrella, ela, ela, ela, ela, eee  
Under my umbrella, ela, ela, ela, eee  
Under my umbrella

You can run into my arms  
It's ok, don't be alarmed  
Come into me  
There's no distance in between our love  
Come on and let the rain pour  
I'll be all you need and more, more

Because when the sun shines  
We'll shine together  
Told you I'll be here forever  
Said I'll always be your friend  
I took it off

Ima stick it out to the end

Now that it's raining more than never

Know that we still have each other

You can stay under my umbrella

You can stay under my umbrella

Ela, ela ela, eeeeeee

Under my umbrella, ela, ela, ela, eeee

Under my umbrella, ela, ela, ela, ela, eee

Under my umbrella
