

We Could Love

Alex Goot

G Gsus2 D Em7 (2x)

G Gsus2
1. So maybe I'm just blind

D Em7
Or maybe I can't see

G Gsus2
Well either one is fine
D Em7
I speak redundantly

G Gsus2
It's hard to see what's wrong
D Em7
When you're diving in like me
D Gsus2 Dsus4 D
I used to love relentlessly

G Gsus2 D Em7
R: So how can you remember everything?

G Gsus2
Is there a rulebook for our love
D Em7
I'm not reading?

G Gsus2
If we could just free up the laws
D Em7
That binds our lives
D Gsus2
Then we could love
Dsus4 D
Yeah, we could love

2. Don't get me wrong here
I need you in my life
But we're independent people
At the current time

I know that years from now
The day will finally come
For us to love perpetually

R: So how can you...

Gsus2 Dsus4 D
Bm Gsus2

Gsus2 Dsus4 D
*: This is where I draw the line this time
Bm Gsus2
This just has to stop right here
Gsus2 Dsus4 D
If we can't just learn to live our lives
Bm Gsus2
Then we don't have any hope at all

R: So how can you... (2x)
