

About Him

Alex Isley

Every time I see you
You make my heart say oooh yeah, yeah yeah

You're like sugar
So sweet
I know this ones for me
It don't matter
Whatever the weather
Cause you're mine
Rain or shine

When I call you darling
Can't help but smile
Time can stop forever
That would be fine
I'm where I wanna be
I really want to make you see
If they don't know nothing else
They know I'm about you

I'm telling everyone I know
This song is about you
And I'ma sing it all day, all night
Cause I want to
I'm want to tell everyone whole wide world 'bout
(Your love, your love, your love)

It feels just like the first day
What you give me
It don't change no
And remember
I ain't leavin' never
You're who I'm here for
Yeah I'm yours

When I call you darling
Time can stop forever
That would be fine
I'm where I wanna be
I really want to make you see
If they don't know nothing else
They know I'm about you

I'm telling everyone I know
This song is about you
And I'ma sing it all day, all night
Cause I want to
I'm want to tell everyone whole wide world 'bout
(Your love, your love, your love, your love, your love)

Love, love, love, love, love, love, love
Love, love, love, love, love, love, love
Love, love, love, love, love, love, love

I'm telling everyone I know baby
This song is about you
And I'ma sing it all day, all night

Cause I want to
I'm want to tell everyone whole wide world 'bout
(Your love, your love, your love, your love, your love)

I'm telling everyone I know baby
This song is about you
And I'ma sing it all day, all night
Cause I want to
I'm want to tell everyone whole wide world 'bout
(Your love, your love, your love, your love, your love)
