

Don't / Do

Alex Isley

This...
This is what I live for
Your kiss...
This is what I love for
Oh I
I could dream all night
No one...
Why you so good to me?
Don't explain to me
Don't explain to me
Don't don't don't don't
Just do what you do

High...
Stars look up to me
I try...
Try to believe you're mine, yeah
One time...
Is good enough for me
You are true
You make a better me, yeah
Don't explain to me
Don't explain to me
Don't don't don't don't
Just do what you do

Don't explain to me
Don't explain to me
Don't don't don't don't
Just do what you do

Oh, I like this being overwhelmed all the time
Oh, I love belonging all to you
Calling you mine, yeah yeah
Calling you mine, Calling you mine...

Don't don't don't don't
Just do what you do
