

# Gone

Alex Isley

You be chillin', laid all the way back  
So casual, no, unintentional, no  
Way past mellow, super relaxed  
Not emotional, no, one dimensional, no

Make it make sense  
Carefree it's cool, but not at my expense  
Tell me what matters 'cause I don't know where you've been  
No, love is just a real farewell for friends  
Tell me how long until you're gone again

Gone, gone, gone, gone (Gone with the wind)  
Gone, gone, gone (How long until you're gone again?)  
Gone, gone, gone, gone (Gone with the wind)  
Gone, gone, gone (How long until you're gone?)  
Till you're gone again  
Till you're gone again  
Till you're gone

Make it make sense  
Carefree it's cool, but not at my expense (Not at my expense)  
Tell me what matters 'cause I don't know where you've been  
(I don't know)  
No, love is just a real farewell for friends  
Tell me how long until you're gone again

Gone, gone, gone, gone (Gone with the wind)  
Gone, gone, gone (How long until you're gone again?)  
Gone, gone, gone, gone (Gone with the wind)  
Gone, gone (How long until you're gone?)  
Gone, gone, gone, gone (Gone with the wind)  
Gone, gone (How long?)

(Now how long until you're gone again, again, again?)  
(No, love is just farewell for friends)  
(How long till you're gone again?)  
(Till you're gone again)  
(How long?)  
(I just wanna know how long?)  
(Gone with the wind)
