

Grown (Interlude)

Alex Isley

I can do what I want
I can do what I want
I can do what I want
I can do what I want

I won't apologize for taking care of me
I won't be sorry, not for loving me
I pay my own (not you)
I hold my own (not you)
I'll do my own (not you)
Whenevers, however

Go on girl, go on girl
Go on girl, go on girl
Go on girl, go on girl
Hey, baby

Go on girl, go on girl
Go on girl, go on girl
Go on girl, go on girl
Hey, baby

Nothing like freedom in the palm of my hand
No it ain't easy, but I understand
Nothing like freedom in the palm of my hand
Nothing like freedom (freedom)

I can do what I want
I can do what I want
(I can do whatever) I can do what I want
(Nothing like freedom) I can do what I want

Go on girl, go on girl
(I can do what I want)
Go on girl, go on girl
Go on girl, go on girl
(I can do what I want)
Hey, baby

Go on girl, go on girl
(I can do what I want)
Go on girl, go on girl
Go on girl, go on girl
(I can do what I want)
Hey, baby

Yeah yeah
