Love On-Demand

Da-da, da-da-da
Da-da, da-da-da
Da-da, da-da-da
Da-da, da-da-da
Da-da, da-da-da
Da-da, da-da-da

Want some catered to you fast
Just like DC say and I don't care if they know
But baby, we got our own vibrations
Tell me, what do you feel like?
We can leave the country or stay right here
We got the option to go fly
Whenever you change your mind

Baby, just say the word
You ain't got to tell me twice
You're already heard, already know that
I can make you feel
The way I feel for you
The things I do for you
The things I do for you

Your wish is my command
Be in love on demand
Love on demand
No ordinary man
Be in love on demand
Love on demand

The sweet taste of déjà vu
(Yeah, yeah)
This all feels familiar
Like we've already been through
A little more than conversation
Gonna follow in your lead
We're headed in the right direction
I've never been the type for flexing
But if you want my affection, babe
You just say the word

You ain't get to tell me twice
Yeah, I already heard
Already know how I can make you feel
The way I feel for you
The things I do for you
The things I do for you

Your wish is my command
(Baby)
Be in love on demand
Love on demand
No ordinary man
Be in love on demand
Love on demand

Twenty-four/seven, baby

Give you what you want
Give you what you need
Whenever you want it, baby
Whenever you want it, want it
Twenty-four/seven, baby
Give you what you want
Give you what you need
Whenever you want it, baby
Whenever you want it, want it
Twenty-four/seven, baby
Give you what you want
Give you what you need
(Three-sixty-five)
Whenever you want it, baby
(Come on and get it, get it, get it, get it)
Whenever you want it, want it
(Get it, get it, get it, get it)
Twenty-four/seven, baby
(Give you what you need)
Give you what you want
Give you what you need
(I'll give you what you need)
Whenever you want it, baby
(Yeah, baby, yeah)
Whenever you want it, want it

(Your wish is my command)
Your wish is my command
(Be in love on demand)
Be in love on demand
(Love on demand)
Love on demand
(No ordinary man)
No ordinary man
(Be in love on demand)
Be in love on demand
(Love on demand)
