

Mic On

Alex Isley

Baddie from West Adams
Arlington Ave
Hydrated, minding mine
Got a nosy-ass mad

No, I don't mind
It's a hair flip
Keep a smile too wide
Almost wide as my hips

Play if you want to
I'ma be on 'cause I'm meant to
Miss out on a one-of-a-kind, shit
If that's what you into

Stay up, stay alert
If you know what it's worth
I-S-L-E-Y
You heard it here first, I'm

On like my mic
I'm on like my mic
One, two, yeah, yeah
One, two, yeah, yeah
I'm on like my mic

Pitch perfect, literally
Keys on me at all times
Ain't Maybelline, I was born with it
You ain't check the bloodline?
Grateful for it all
Two hands to the sky
But if you already know
Baby, this your FYI

Play if you want to
I'ma be on 'cause I'm meant to
Miss out on a one-of-a-kind, shit
If that's what you into

Stay up, stay alert
If you know what it's worth
I-S-L-E-Y
You heard it here first, I'm

On like my mic
I'm on like my mic
One, two, yeah, yeah
One, two, yeah, yeah
I'm on like my mic

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
