

# Let's Call It A Day

Alex Lahey

You're on my nerves  
And we're three drinks in  
Pull at my shirt  
I wanna disappear

I kinda like you but I don't like you, you like yourself too much  
And I want to but I don't want to, I pull away from your touch  
Everybody thinks it's on, everybody thinks so

(Ooh-ooh, ooh-ooh)  
Let's call it a day, let's call it a day  
(Ooh-ooh, ooh-ooh)  
Alright, okay, I'll make my way  
(Ooh-ooh, ooh-ooh)  
Walk to your car, you take me home  
(Ooh-ooh, ooh-ooh)  
We won't ever know  
I don't wanna see where this could go

Nothing to say  
This is really turning sour  
Time-travelling  
60 minutes to the hour

I kinda like you but I don't like you, you like yourself too much  
And I want to but I don't want to, I pull away from your touch  
Everybody thinks it's on, everybody thinks so

(Ooh-ooh, ooh-ooh)  
Let's call it a day, let's call it a day  
(Ooh-ooh, ooh-ooh)  
Alright, okay, I'll make my way  
(Ooh-ooh, ooh-ooh)  
Walk to your car, you take me home  
(Ooh-ooh, ooh-ooh)  
We'll never know  
I don't wanna see where this could go

(Ooh-ooh, ooh-ooh)  
Let's call it a day, let's call it a day  
(Ooh-ooh, ooh-ooh)  
Alright, okay, I'll make my way  
(Ooh-ooh, ooh-ooh)  
Walk to your car, you take me home  
(Ooh-ooh, ooh-ooh)  
We'll never know  
I don't wanna see where this could  
I don't wanna see where this could  
I don't wanna see where this could go
