Brukk it off with my fingers to the bed
Ring it out til' there ain't nothing left
Give me something weh hard to forget
Sun ah rise we nuh done til' it set

Work it out like ah gym ah mi yard
Whip it out like a new credit card
Shut mi mouth like mi say something bad
Make it bounce like di beat to my heart

Bumbaclat
I hear them angels calling
It's got me feeling holy
You've got me screaming
Oh Rassclat
Bedroom repeat offender
Give you my sweet surrender
You've got me overheated

Ukku perfect, it clean ukku tight
Ukku send you to bed fi di night
Ukku swerve when it bend to di right
Ukku purr when you put it in drive

Di water drown him he go need a life vest
Bubble me ah bubble ain't no one yah contest
Focus pon di bumper like ah it ah one test
Like ah it ah one check
(Look pon dat bamsi boy)
