

Dinner Time

Alex Mali

Baby you've been on my mind yeah
You could say I'm kinda crazy
Want it all the time
Every morning noon and night oh
I've been feeling lonely babe
I've been having hunger cravings
You look like my favorite flavor
Baby come give me a taste

Let's skip the dinner for real
I could be your meal
Just want you to show me how you feel
Boy I bet you I know the deal, I know the thrill
Just so you know, I'm a fuckin' steal

Any other plans you got you better cancel
Not alot of guys who find out what I can do
Boy you got me saying

Ooh oh
Ooh oh
Ooh oh
Ooh oh

Baby I've been having dreams of you wrapped up in
My company, we toasting to good loving
Baby I've been feeling kind of strange
Way you stroke me like a painting
Way you got my body shaking
Boy you driving me insane

Let's skip the dinner for real
I could be your meal
Just want you to show me how you feel
Boy I bet you I know the deal, I know the thrill
Just so you know, I'm a fuckin' steal

Any other plans you got you better cancel
Not alot of guys who find out what I can do
Boy you got me saying

Ooh oh
Ooh oh
Ooh oh
Ooh oh
