

# Move It

Alex Mali

I like to move it, move it  
Drop it, drop it, tick it, tock it  
Walk in the room and vroom and  
I can see the opps is watchin'  
You a fan, you a stan  
You a copy, copy  
And if you plottin', stop it  
Got the type to block it, block it

I should be famous  
Way y'all wishing you could be me, shameless  
Like you never seen an icon living  
It's giving, I do it, you do it, shit crazy  
Baby you could never play me  
Don't get cooked, man  
I'm from Brooklyn so it's "Fuck you, pay me"  
Drip so cold, I'm icy, icy  
Bad gyal mode, we spicy, spicy  
Club on go, we hyphy, hyphy  
Checks all clear like Nike, Nike  
On my gram, tappin' brands  
I like Gucci, Dior  
I got fans in Japan  
I ain't been there before

I like to move it, move it  
Drop it, drop it, tick it, tock it  
Walk in the room and vroom and  
I can see the opps is watchin'  
You a fan, you a stan  
You a copy, copy  
And if you plottin', stop it  
Got the type to block it, block it

I don't like FaceTime calls  
Nigga just send me a text  
Quit blowin' up my phone, nigga  
I'll get it when I get it  
I'm busy gettin' ready  
Unless you talking Fetty  
Guap, bank, cheddar cheese  
You ain't got it? Nigga, please  
Energy, energy, energy  
Gotta protect my energy  
Enemy, enemy, enemy  
Walkin' round lookin' like mini-me's  
Case of a stolen identity  
Didn't you know that's a felony?  
You could have all the ingredients  
But the experience come with the recipe

I like to move it, move it  
Drop it, drop it, tick it, tock it  
Walk in the room and vroom and  
I can see the opps is watchin'  
You a fan, you a stan  
You a copy, copy

And if you plottin', stop it  
Got the type to block it, block it

I like to move it, move it  
Drop it, drop it, tick it, tock it  
Walk in the room and vroom and  
I can see the opps is watchin'  
You a fan, you a stan  
You a copy, copy  
And if you plottin', stop it  
God the type to block it, block it

Ooh  
Ooh, ooh  
Ooh  
Ooh, ooh  
Ooh  
I like to move it, move it  
I like to move it, move it  
I like to  
Move it
