

Obviously

Alex Mali

Hotline, yeah
Right time, yeah
Dialing
Crying

Maybe you should find someone who fits you better
One who treats you better
Obvious it ain't just me
Obviously
Maybe you gon' find it somewhere you were before
Somewhere out the back door
Obvious it's without me
Obviously

Turning on my hotline, yeah
Waiting on the right time, yeah
I don't know who I'm dialing
But it's better than crying
Turning on my hotline, yeah
Waiting on the right time, yeah
I don't know who I'm dialing
But it's better than crying

Maybe you're just fine with physical attraction
But it's just a fraction of what you was getting with me
Obviously, mmm
Maybe you don't like to have it all and more, or...
Maybe you was acting for Vitamin C
Obviously

Turning on my hotline, yeah
Waiting on the right time, yeah
I don't know who I'm dialing
But it's better than crying
Turning on my hotline, yeah
Waiting on the right time, yeah
I don't know who I'm dialing
But it's better than crying
