

Temptation

Alex Mali

I don't know who you belong to
I just know that I don't care who you go home to
Long as, for tonight, you're mine
I'ma get you high, so high

I didn't come for conversation
You show me how far you really tryna take it
I can tell your heart is racin'
'Cause with me, it's hard to keep your obligations

Who let you into this party?
I don't think they know what they started
Who keep on sendin' Bacardi?
I'm losin' control of my body
My head and my heart got me trippin' like I'm on E
My head and my heart got me livin' a fantasy

I don't know who you belong to
I just know that I don't care who you go home to
Long as, for tonight, you're mine
I'ma get you high, so high

Usually, I'd find a way to fight temptation
But there's something holdin' me back from escapin'
I want a dude with the wickedest slam
I need a one-two-three-hour man
I wanna do anything I wanna do with you
Breakin' all the rules with you, baby, 'cause I can

Who let you into this party?
I don't think they know what they started
Who keep on sendin' Bacardi?
I'm losin' control of my body
My head and my heart got me trippin' like I'm on E
My head and my heart got me livin' a fantasy

I don't know who you belong to
I just know that I don't care who you go home to
Long as, for tonight, you're mine
I'ma get you high, so high

I want a dude with the wickedest slam
Slam, slam, slam
I want a dude with the wickedest slam
Slam, slam, slam
I need a one-two-three-hour
I need a one-two-three-hour man
I want a dude with the wickedest
I need a, I need a one-two-three-hour man
