

Devilish

Alex Newell

Why can't I stop the feeling?
It's running through my veins and I
Think I've been doing this too long and now my heart is gone
Tempted by a spirit, driven by a curiosity
And it nothing like me to keep you far away

Oh, every part of me is lost
What I'm feeling is so wrong
But you know that I like it, you know that I like it
Oh, I've been doing this too long
To kick a habit that's so strong
But you know that I like it, you know that I like it

He's so devilish, but I let him drag me down
Leave me burning underground, he won't put my fire out
I've been to hell for this, I'm lost and so I'm found
We can go turn this thing around, but there's no going back now

Oh, every part of me is lost
What I'm feeling is so wrong
But you know that I like it, you know that I like it
He's so devilish, but I let him drag me down
Leave me burning underground, he won't put my fire out
