

I'm Changing

Alex Newell

Look at me, Look at me
I am changing
Trying every way I can
I am changing
I'll be better than I am
I'm trying to find a way to understand
But I need you, I need you
I need a hand
I am changing
Seeing everything so clear
I am changing
I'm gonna start right now, right here
I'm hoping to work it out
And I know that I can
But I need you, I need a hand

All of my life I've been a fool
Who said I can do it on my own
How many good friends have I already lost?
And how many dark nights have I known?
Walking down that wrong road
There was nothing I could find
All those years of darkness
Looking for some light
But now I can see

I am changing
Trying every way I can
I am changing
I'll be better than I am
But I need a friend
To help me start all over again
That would be just fine
I know it's gonna work out this time
'Cause this time I am
This time I am
I am changing
I'll get my life together now
I am changing
Yes I know how
I'm gonna start again
I'm gonna leave my past behind
I'll change my life
I'll make a vow and nothings gonna stop me now
