

Magnet

Alex Sampson

Ayy, yeah, yeah, yeah, yeah
Ayy, yeah, yeah, yeah, yeah
Ayy, yeah, yeah, yeah, yeah

I was sitting in a diner, didn't mean to find her
I was only going there to meet my friends
I thought she was the waitress, come to take my order
Until she told me that she followed me in, she said

"You dropped your wallet, I'm glad I saw it
Good thing I'm not some kind of thief"
But my jaw was busy dropping, couldn't hear her talking
She had me drawn in instantly

Can you feel the static? When we're close enough to touch
Got a hint of magic, an electric kind of rush
Just like a magnet, we can't deny the pull
Just like a magnet, you're irresistible

Ayy, yeah, yeah, yeah, yeah
Ayy, yeah, yeah, yeah, yeah
Ayy, yeah, yeah, yeah, yeah
Ayy, yeah, yeah, yeah, yeah

Ayy, yeah, yeah
Siento tu energia cuando empiezas a bailar
Me acerco poco a poco hasta yo terminar
Pegado a tu falda como si fuera un imah an, hey, baby
No estaba en mis planes, Yo no quize caer
Pero en tus labios yo me quiero envolver
Eh yo me quiero envolver

That's when I told her, "Feels like I know you
Sounds a little crazy but I swear we've met"
We started chatting, time started passing
And I forgot about my friends
She said, "Is this seat taken?"
I asked her, "Is this a date then?"
She said, "Call it what you like
I'm just feeling your vibe, I think you're feeling the same thing"

Can you feel the static? When we're close enough to touch
Got a hint of magic, an electric kind of rush
Just like a magnet, we can't deny the pull
Just like a magnet, you're irresistible

Ayy, yeah, yeah, yeah, yeah
Ayy, yeah, yeah, yeah, yeah
Ayy, yeah, yeah, yeah, yeah
Ayy, yeah, yeah, yeah, yeah

Can you feel the static? Cuando estamos piel a piel
Got a hint of magic, que me hace enloquecer
Just like a magnet, we can't deny the pull
Just like a magnet, you're irresistible
