

Pretty Baby

Alex Sampson

Oh, maybe I've been a fool
Maybe I tend to lose
My balance when it comes to you
Oh, lately I've found a new
Girl to call mon amour
My habits, I'd break for you

It's just too soon, do you want me too?

Pretty baby (Pretty baby)
Is it crazy? (Is it crazy?)
Think I've known for a while
Kiss me now, drive me wild
Pretty baby (Pretty baby)
Someday maybe (Hope someday maybe)
We'll look up at the stars
Holding you in my arms
Pretty baby

Your light brown eyes, what a view
Perfect smile, five-foot you
Keep dancing inside my head
Lipstick on my right cheek
And you're so slick, oh, when you speak
My darling, my sweetheart
You make me weak

Pretty baby (Pretty baby)
Is it crazy? (Is it crazy?)
Think I've known for a while
Kiss me now, drive me wild
Pretty baby (Pretty baby)
Someday maybe (Hope someday maybe)
We'll look up at the stars
Holding you in my arms
Pretty baby

Your lipstick on my right cheek
La-da-da-da-da, La-da-da-da-da, la-da

Pretty baby (Pretty baby)
Is it crazy? (Is it crazy?)
Think I've known for a while
Kiss me now, drive me wild
Pretty baby (Pretty baby)
Someday maybe (Hope someday maybe)
We'll look up at the stars
Holding you in my arms
Pretty baby

(Ooh) Your lipstick on my right cheek
La-da-da-da-da, La-da-da-da-da, la-da (My pretty, pretty baby)
(Oh) Pretty baby, pretty baby
We'll look up at the stars
Holding you in my arms
Pretty baby (Pretty baby, pretty baby)
We'll look up at the stars

Holding you in my arms
