

# Solid Ground

Alex Vargas

He has your hand  
You hold my everything  
This silent burden will be my tragedy  
But your eyes say it all  
When I lay you down  
And your eyes say it all  
When I lay you down

I'll keep it close while I am under it  
Dry every tear before you discover it  
And my eyes say it all  
When I lay you down  
And my eyes say it all  
When I lay you down

In the arms of another  
You're on solid ground  
I'm a fool, I'm a coward  
And I'm breaking down

I know he's safety  
And I am disarray  
My will be done  
I'd have you anyway  
But your eyes say it all  
When he lays you down  
And my eyes say it all  
When he lays you down

In the arms of another  
You're on solid ground  
I'm a fool, I'm a coward  
And I'm breaking down

In the arms of another  
You're on solid ground  
I'm a fool, I'm a coward  
And I'm breaking down

(Uh uuuh uh uh, Uh uuuh uh uh)  
(Ohh ohh ohh oh, Ohh ohh ohh ohh oh)

In the arms of another  
You're on solid ground  
I'm a fool, I'm a coward  
And I'm breaking down

In the arms of another  
You're on solid ground  
I'm a fool, I'm a coward  
And I'm breaking down
