

Demon Time

Alex Vaughn

Mm-hmm

Alone tonight
I'm alone tonight, I'm on demon time
And you're on my mind
Got an attitude but you still came through
'Cause you know it's fire
And I blow your mind when I'm on the mic
I'm your prototype
Yeah, ayy-ayy

Don't fight what you feelin', babe
No need for you to hesitate
It's taboo the things you make me say
I'm no psychic but I know what you need

Sex game is criminal
Take me like mental notes
Make me overflow
And wake me if the sheets gets gold

So many positions
So many decisions, yeah
I know I been distant
So touch me like you missed it, yeah
Oh-oh, oh-oh, oh-oh, oh
Oh-oh, oh-oh, oh

Love it when I'm drippin' on you, grabbin' on my neck
Watchin' you, watchin' me, I'm the best you ever had

Admit it
They way I make you feel is why you're trippin'
Never had a girl so gifted
All natural with no gimmicks
Oh, oh-oh, oh, no
Oh, oh-oh, oh, no-no
Oh, oh-oh, oh, no
Oh, oh-oh, ooh-oh, yeah, no

Sex game is criminal
Take me like mental notes
Make me overflow
And wake me if the sheets gets gold
Sex game is criminal
Take me like mental notes

Ooh, oh, oh
(Love it when I'm drippin' on you, grabbin' on my neck)
Oh, ooh, ooh, ooh (Watchin' you, watchin' me, I'm the best you ever had)
Oh, ooh, ah-ah, ooh-oh, almost there
(Love it when I'm drippin' on you, grabbin' on my neck)
Hey, yeah (Watchin' you, watchin' me, I'm the best you ever had)

Hey, hey-hey, almost
Almost, almost
Almost there

Almost there

Oh-oooh-oooh

He, he

He keeps getting his license suspended like

Hahaha

Uh, he never got no gas

He always askin' for ten dollars for gas

He's always, he never puts up for weed

He never puts up for weed most of the time

It's a good time

He's funny

The dick is good, the sex is good, it's good

It's, it'll do

The sex is bomb, it's good, it'll do

It'll work, you, you need it

It, it works
