Do You Ever

Alex Vaughn

You got me missin' you and it won't stop
Tried to get rid of you but my heart's locked
Yeah, we took a little time out
But I'm wishin' you were still around
(Ooh-ooh, ooh-ooh, ooh-ooh-ooh)

I'm way too stubborn, I admit it now
Was stupid, I'm cryin' out (Woah-oh, oh-woah, oh-oh-woah)
My heart's somewhere between lost and found
Got me wonderin' what we coulda been

Do you ever think about how we used to be? (Be)
Do you ever find yourself feelin' incomplete? ('Plete)
Do you ever wanna pick up your keys (Keys)
And drive home to home? (Me)
Tell me do you ever, baby?
Do you ever wanna hit me up and get stuck? (Stuck)
Do you ever find these other girls ain't enough?
Do you ever wish that it was me (Me)
By you when you sleep? (Sleep)
Tell me do you ever, baby? (Tell me do you ever, baby?)

If you wanted to we could run this back (We could run this back)
I'm available so don't play like that
I said what I said, might've overreacted
I'm sorry, not sorry
I want you back here

I'm way too stubborn, I admit it now
Was stupid, I'm cryin' out (Woah-oh, oh-woah, oh-oh-woah)
My heart's somewhere between lost and found
Got me wonderin' what we coulda been (Do you ever)

Do you ever think about how we used to be? (Yeah, yeah, ooh)
Do you ever find yourself feelin' incomplete? (Oh-oh, ooh-woah)
Do you ever wanna pick up your keys (Keys)
And drive home to home? (Drive home to me)
Tell me do you ever, baby? (Do you ever wonder?)
Do you ever wanna hit me up and get stuck? (Do you ever wonder? Let m
e open now)
Do you ever find these other girls ain't enough? (Ooh)
Do you ever wish that it was me (Me)
By you when you sleep? (Ayy, ayy, ooh)
Tell me do you ever, baby? (Tell me do you ever, baby?)

Do you ever, ever (Oh, oh-oh), ever?
(Oh, oh-oh, oh, oh-oh, oh)
Do you ever (Oh, oh-oh), ever? (Oh, oh-oh, oh, oh-oh, oh)
Do you ever (Oh, oh-oh), ever (Oh, oh-oh, oh, oh-oh, oh), ever?
