

# Change Your Mind

Alex Warren

Brother don't go, brother don't go there  
Saying those words, so don't you dare

'Cause just like that you're in the deep end  
A glass in your hand guess you're drinking again  
I know you're lost feeling like the world's got nothing left

Sometimes life don't work out the way you like  
And it hurts so bad you can't even cry  
I know that you're up on the edge like you're out of time  
But it's not too late to change your mind  
To change your mind  
To change your mind

Brother hold on, brother hold on now  
'Cause I'll be right here when the high comes down

'Cause just like that you're making a mess  
Pushing away every one of your friends  
I know you're lost feeling like the world's got nothing left

Sometimes life don't work out the way you like  
And it hurts so bad you can't even cry  
I know that you're up on the edge like you're out of time  
But it's not too late to change your mind  
To change your mind  
To change your mind  
To change your mind  
Oh, to change your mind

Sometimes life don't work out the way you like  
And it hurts so bad you can't even cry  
I know that you're up on the edge but you still got time  
But it's not too late to change your mind  
Oh, it's not too late to change your mind
