

# Heaven Without You

Alex Warren

Sippin' coffee in the morning light  
Feel your heartbeat with your hand in mine  
It terrifies me and I know that I  
Found the best thing that was ever mine

When I get in my head, you talk me down  
Saying, "Nothing's gonna separate us now"

It's not a life or death situation  
Darling, you're my last destination  
But if I go first  
And my angel's still on Earth  
I'll wait outside the gates till you're there too  
'Cause Heaven won't be Heaven without you  
Without you

When I picture paradise  
It isn't somewhere in the sky  
It's anywhere you're by my side  
When I look at you, I see the light

It's not a life or death situation  
Darling, you're my last destination  
But if I go first  
And my angel's still on Earth  
I'll wait outside the gates till you're there too  
'Cause Heaven won't be Heaven without you  
Without you

And if death do us part  
I promise you'll have my heart  
In every lifetime  
In every lifetime  
Oh darling, I'll wait  
As long as it takes  
Forever means we'll never say goodbye

It's not a life or death situation  
Darling, you're my last destination  
But if I go first  
And my angel's still on Earth  
I'll wait outside the gates till you're there too  
'Cause Heaven won't be Heaven without you  
Without you

You  
Without you
