

# Never Be Far

Alex Warren

Some take the train all the way to LA  
Some never get off the tracks  
I'd never thought I'd live to see the day  
I'd say, "Goodbye, call us back"  
That was the roof where I smoked my first cigarette  
Praying I wouldn't get caught  
I'm still the ghost of that teenage silhouette  
Growing up's not what I thought

Even long after I'm gone

This town, those streets hold a piece of me there  
Love-drunk, sixteen  
Oh, I promise, wherever I carry your heart with me  
I'll never be far, I'll never be far  
Hold on for now, it's not forever  
I swear I'll make you proud  
Oh, I promise, wherever I carry your heart with me  
I'll never be far, never be far from home

Senior year, saying goodbye to Sage Creek  
Felt my heart break in those halls  
I asked out a girl and they laughed at me  
I swear nobody talks like those walls  
First time I realized I wasn't invincible  
Broke a bone tryna show off  
Names on a cast, proof I wasn't invisible  
First taste of fame that I got

Even long after I'm gone

This town, those streets hold a piece of me there  
Love-drunk, sixteen  
Oh, I promise, wherever I carry your heart with me  
I'll never be far, I'll never be far  
Hold on for now, it's not forever  
I swear I'll make you proud  
Oh, I promise, wherever I carry your heart with me  
I'll never be far, never be far

Home, home  
Home, home  
Wherever I carry your heart with me  
I'll never be far, never be far from home

The place that raised me  
Ones who change me  
I would not be who I am without

This town, those streets hold a piece of me there  
Love-drunk, sixteen  
Oh, I promise, wherever I carry your heart with me  
I'll never be far, I'll never be far (Hey)  
Hold on for now, it's not forever  
I swear I'll make you proud  
Oh, I promise, wherever I carry your heart with me  
I'll never be far, never be far from home
