

# On My Mind

Alex Warren

Hidden underneath the floor  
In the attic of my dreams, there's somebody I adore  
I could smile, I could lie  
Say, I never think about you at all, most of the time

Maybe it's the way the clouds are painted a perfect shade of yellow all across the sky  
Maybe it's the way the times are changing, and I'm stuck in the middle, frozen in a fire  
But, baby, you're on my mind

Doors will open, doors will close  
In the basement of my dreams, there's somebody I ignore, mm  
Yeah, I'm a fool, don't be surprised  
I don't ever think about you at all  
But right now, I just need you to know

Maybe it's the way the clouds are painted a perfect shade of yellow all across the sky  
Maybe it's the way the times are changing, and I'm stuck in the middle, frozen in a fire  
But, baby, you're on my mind

You showed up  
Crystal and casually  
Our love was what it had to be  
You showed up  
Like you're still attached to me  
Our love was what it had to be

Maybe it's the way the clouds are painted a perfect shade of yellow all across the sky  
Maybe it's the way the times are changing, and I'm stuck in the middle, frozen in a fire  
But, baby, you're on my mind

You're on my mind

Baby, you're on my mind
