

One More I Love You

Alex Warren

Five A.M. and I feel like crying
I knew I lost you, I lost a friend
Clock ran out at the worst of timing
I'm deeply troubled, filled with regret

Moms knees deep in alcohol
But I'm drowning, I'm drowning, I'm drowning
Sinking deeper need your arms around me, around me

Cause there ain't nothing in this world
Nothing in this world I wouldn't do
To say one more I love you
Nothing in this world, nothing in this world I wouldn't do
To say one more I love you

Thunder hit but it felt like lightning
The night I lost you I lost a friend
And pictures say you look just like me
Wish I could see you, see you again

Moms knees deep in alcohol
But I'm drowning, I'm drowning, I'm drowning
Sinking deeper need your arms around me, around me

Cause there ain't nothing in this world
Nothing in this world I wouldn't do
To say one more I love you
Nothing in this world, nothing in this world I wouldn't do
To say one more I love you

One more I love you
One more I love you
Nothing in this world, nothing in this world I wouldn't do
To say one more I love you

I'm drowning, I'm drowning, I'm drowning
I'm drowning, I'm drowning, I'm drowning

Cause there ain't nothing in this world
Nothing in this world I wouldn't do
To say one more I love you
Nothing in this world, nothing in this world I wouldn't do
To say one more I love you

One more I love you
One more I love you
One more I love you
Cause there ain't nothing in this world
Nothing in this world I wouldn't do
To say one more I love you
