

# Troubled Waters

Alex Warren

Locked inside my head  
Didn't wanna let you see me break down  
Prisoner of the past  
I'm not here to ask you for a way out

The waves keep crashing  
What would happen if I asked you to stay?

Whoa, say you won't  
Let me drown in troubled waters alone  
Oh, throw me a rope  
Won't you tell me that you're still holding on?  
Feel the world on my shoulders  
Slowly pulling me under  
And I don't wanna push you away  
Whoa, say you won't  
Let me drown in troubled waters  
Drown in troubled waters alone

Storm is rolling in  
There's no stopping it, darling, believe me (Ooh)  
I've got a tendency to run  
And all I've learned from love is that it leaves me (Ooh)

The waves keep crashing  
What would happen if I asked you to stay?

Whoa, say you won't  
Let me drown in troubled waters alone  
Oh, throw me a rope  
Won't you tell me that you're still holding on?  
Feel the world on my shoulders  
Slowly pulling me under  
And I don't wanna push you away  
Whoa, say you won't  
Let me drown in troubled waters  
Drown in troubled waters alone

Say you won't let me drown  
Drown in troubled waters alone (Say you won't)  
Say you won't let me down  
Darling, when I need you the most (You the most)  
Say you won't (Say you won't) let me drown (Let me drown)  
Drown in troubled waters alone (Say you won't)  
Say you won't (Say you won't) let me down (Let me down)  
Darling, when I need you the most

Whoa, say you won't  
Let me drown in troubled waters alone  
Whoa, throw (Throw me) me a rope  
Won't you tell me that you're still holding on?  
Feel the world on my shoulders  
Slowly pulling me under  
And I don't wanna push you away  
Whoa, say you won't (Say you won't)  
Let me drown in troubled waters  
Drown in troubled waters alone
